

## **Request for Proposals for Concept and Related Product Design for MUŻA** HM28/7/2016

### **Declaration and Results**

The jury committee appointed by Heritage Malta has reviewed all two submissions all of which, pitched their project proposal. Following extensive discussions on all projects submitted the jury gave its markings to each project [as per table below]. Markings were assigned according to the criteria defined in the public request for proposals.

The jury committee, regret to inform that no projects were shortlisted for this award. This because none of the submitted projects registered a high percentage in response to the criteria listed in section 9 of said request for proposal.

The jury committee would like to thank all those who submitted and pitched their project for their effort and commitment.
